

How do I request via ILL@UMKC?

If the book you want is not available from either a MERLIN or MOBIUS library, you can place a request through the Interlibrary Loan Department. We will try to borrow it from any library that owns it, in the U.S. or abroad.

1. Sign in to ILL@UMKC.
2. In the menu on the left side of the page, select the type of request you want to place (article, book, book chapter or dissertation/thesis).

3. Fill out the form as completely as you can; items marked with an asterisk (*) are required.

The image shows a screenshot of the 'Article Request' form. The form has a title 'Article Request' and a subtitle 'Article Information'. It contains several input fields with labels: '* Title (Journal, Conference Proceedings, Anthology)', 'Volume', 'Issue Number or Designation', 'Month', '* Year', and '* Inclusive Pages'. The asterisk indicates that these fields are required. The form also includes a 'Submit Information' button.

4. Let us know if the book is held by a MERLIN or MOBIUS library, but is not available. If we find a copy available through MERLIN or MOBIUS, we will try to obtain it that way.
5. Include an OCLC, ISSN or ISBN number, if you have one.
6. Include any special instructions.
7. Read the statement of Copyright and Financial Responsibility.
8. Click "Submit Request."

ent. This institution reserves the right to refuse to accept a copying order if, in its judgment, ight law.
