Welcome to the Guest Researcher Program! This brochure is intended to serve as a handy guide to help make the program work for you. Most of the information you need to make requests and use the services will be found here.

Services & Costs:
- When contacting the University Libraries let us know that you’re a member of the Guest Researcher Program. Upon checkout, a photo ID is required.
- Please only use our online system at tiny.cc/umkc-lending to make requests. If you would just like to renew your UMKC materials, please call or e-mail us.

Before contacting us, try these tips:
1. Please use our catalog to see what books and journals UMKC Libraries owns. For help with navigation and understanding of the catalog, visit: libguides.library.umkc.edu/catalogguide
2. Please be sure you have the correct info on books by searching Worldcat, at worldcat.org, and articles by running what you have through Google Scholar, at scholar.google.com, before contacting us. This will help avoid extra charges, equivalent to the cost of Research Service.
